

# Shahriar Moin

## PROFESSIONAL SUMMARY

Recent university graduate with a bright and friendly personality, ready to bring a positive attitude and a love for technology to the workplace. Known for my ability to get along with everyone and a genuine eagerness to learn, I'm excited to bring value and make a meaningful contribution to the success of the team.

## EDUCATION

**Bachelor of Science in Computer Science, William Paterson University of Wayne, New Jersey**

MAY 2023

Dean's list: Spring 2020

**Upper Secondary School Diploma, Helsingin Kielilukio, Helsinki**

MAY 2018

## SKILLS & TECHNICAL TOOLS

Languages: C++, HTML, CSS, Python, Java, SQL, Dart

Technologies: Git, VSCode, Firebase, Flutter, AWS, Office 365, iOS

## RELEVANT EXPERIENCE

**Volunteer iOS App Developer / UI Designer**

SEPTEMBER 2022 – PRESENT

- Designed aesthetically pleasing and functioning user interfaces for an app that received excellent ratings from classmates and professor.
- Implemented multiple major bug fixes, conducted refactoring, and improved test coverage to ensure a robust app experience.
- Utilized Git version control for effective collaboration and code management, reflecting the importance of teamwork and collaboration skills.
- Conducted code reviews, aligning with the collaborative and project working skills.
- Demonstrated competence in managing Apple devices, ensuring seamless integration and reliable functionality.

**When. Wear. Weather. (App)**

- Worked on an application with the goal of combining a calendar function, a wardrobe management function, and linking these two intrinsically with the weather application.
- Designed the UI with Flutter and using Firebase as the primary database for the application.
- Implemented a functional login/registration user interface.
- Achieved user authentication and logging out features, enhancing the overall security and user experience of the app.
- Documented technical solutions, best practices, and challenges faced during development, contributing to a shared knowledge base for the team's benefit.
- Received an average rating of 4.5/5 from 23 classmates and professor for exceptional contributions.
